   Vietnam Era Veterans Readjustment Assistance Act of 1974, 456  
 Age, avoiding questions about in interview, 132-133  
 Age Discrimination in Employment Act (ADEA) of 1967, 452-453  
   and performance appraisal, 200-201  
 Americans with Disabilities Act (ADA), 453-454  
   essential job functions, 133  
   and interviewing, 133  
 Appraisal, performance, 186-208. See also Performance Appraisal  
 Argument, avoidance of, with troubled employee, 238  
 Arrest record, avoiding questions about, in interview, 135  
 Attentiveness in listening, 151  
 Attitude of manager, organizational communication and, 481  
 Authority, delegation of, 85  
 Autocracy  
   benevolent, 160  
   exploitative, 160

## B

Balanced Budget Act of 1997, 10-11  
   cuts affecting Medicare under, 10  
   perceived hardship resulting from, 10-11  
 Bargaining election in unionization process, 500-501  
 Bargaining units, fragmentation by National Labor Relations Board, 445-446  
 Behavior, cause and results of, failure to differentiate in appraisal, 195-197  
 Benefit, welfare, 236  
   sick time as, 236  
 Benefits administration, as human resource function, 250

Benevolent autocracy, 160  
 Board of directors, responsibilities of, in budgeting process, 346  
 Board of trustees, health care management responsibilities of, 42  
 Boss(es)  
   encouraging communication with, 485-486  
   multiple, increasingly common, 486  
   time-wasting pressures from, response to, 102  
 Bottom line, as priority, 5-6  
 Budget  
   adoption of, 348  
   capital, 338-339  
   cash, 339  
   expense, 337  
   fiscal year, 335  
   fixed versus flexible, 336  
   illustration of, 339-344. See also X-ray department expense budget  
   introducing, 334-336  
   operating, 336-337  
   revenue, 337  
   statistical, 336-337  
   total, 336-339  
 Budget calendar, 347-348  
 Budget committee, responsibilities of, in budgeting process, 347  
 Budget coordination meeting, 3347  
 Budget report, sample, 349-352  
 Budgeting, 332-354  
   accounting concepts in, 335-336  
   budget coordination meeting in, 347  
   control in, 353  
   as ongoing process, 348  
   participative, 334-335  
   process of, 346-348  
   responsibilities for, 346-347  
   review and coordination in, 348  
 Budget calendar, 347-348  
 Bureaucracy, 161  
 Business ethics in the health care organization, 258-273  
   admission and care of patients in, 272-273

   employee relationships in, 273  
   organizational assets and information, use in, 270-271  
   political activity in, 272

## 2 Index

privacy and confidentiality in, 272  
 referral practices in, 271  
 regulatory compliance in, 268

### C

Call forwarding, 99

Calls, telephone  
   returning, 99  
   screened, 98  
   voice mail, 99-100

Candidates, interviewing of, 127-143

Capital budget, 338-339

Cash budget, 339

Center for Medicare and Medicaid Services, 463

Central tendency in appraisal, 195

Change

  effective guidelines for, 301-302  
   management of, 293-303  
   nature of, 294-295  
   paradigm shifts and, 424-425  
   present environment and, overview, 4-5  
   reasons for resistance to, 298-299  
   resistance to, 295-296, 302  
   supervisor's approach to, 300-302

Checklists for appraisal, 191-192

Civil Rights Act of 1964

  Title VI of, 453

  Title VII of, 452

Civil Rights Act of 1991, 454

Cloning, 266

Clustering in appraisal, 195

Coaching, 223-224

Command, unity of, in organizing, 56-57

Commitment, management, to total quality management, 358-359

Commitment to continuing education, 429-430

Committee, management by, 321-322

"Committee paralysis," avoiding, 377-378

Committees or teams, shortcomings of, 378

Communication

  breakdowns, and organizational levels, 15  
   organizational, 4479-490. See also  
     Organizational communication

Communication in the one-to-one relationship,  
 144-158

  barriers to, 148-150  
   guidelines for, 155-156  
   listening in, 151-152  
   open door attitude and, 156  
   as two-way street, 147-148

Communication, written, 304-317

  changing old habits of, 305-309  
   guidelines for, 305-309  
   practice in, 316  
   sample letter in, 311-313  
   sources of help for, 305

Community, responsibilities of health care management to, 42

Compensation, as human resource function, 250

Compensation, overtime, wage and hour laws  
 and, 446-451

Competence assessment, 199-200

Competition, health care, 24

Compliance, HIPAA, 467

Concept programs in continuing education, 431

Confidence in employees, limited, as barrier to  
 delegation, 73-74

Confidentiality, patient, 272

Conjunctions in writing letters and memos, 310

Constraints in decision-making process, 284-288

Constructive appraisal, 203-205

Consult with dead-end employee, 233

Consultative leadership, 161

Continuing education, 427-441

  approaches to, 427-441  
   commitment to, 429-430  
   concept programs in, 431  
   determining employee needs in, 433-434  
   for employees, 431-436  
   informational programs in, 430  
   personal commitment to, 429-430  
   points to remember in, 435-436  
   process of, 435  
   purpose of, 428-419  
   skill programs in, 430  
   starting, 432  
   for supervisor, 439-440  
   supervisor as teacher in, 434-435

Continuous quality improvement (CQI), 357-358.

  See also Total quality management  
   TQM)

Continuous rating scales for appraisal, 189, 190

Contractions in writing letters and memos, 309-  
 310

Control

  reasonable, maintenance of, in delegation, 82-  
   84  
   span of, in organizing, 57  
   in time management and stress management,  
   101-102

Controlling

  definition of, 54  
   as management function, 52, 54, 58-59  
   "Cookie cutter management," 166-167

Cooperative Motivation System

  health care organization, tendency toward, 30  
   Likert's, 26  
   management system and, 28-29  
   real world and, 27

Coordinating

  definition, 54  
   as management function, 52, 54, 58

Counseling in progressive discipline, 215

- Credit information, avoiding questions about, in interview, 134
- Criminal record, avoiding questions about, in interview, 135
- Criteria for appraisal
  - appropriateness of, 198
  - employee knowledge of, 198
- Critical incident method for appraisal, 191-194
