NAVIGATE™ COURSE MANAGER

Respiratory Care Principles and Practice

■ A Complete Online Solution

■ Pre-Loaded Assignments
and Assessments

■ Engaging Interactive Exercises

Teaching Respiratory Care Has Never Been Easier

Simple to Use. Quality Content. Outstanding Customer Service.

A robust online program designed to enhance student understanding of critical concepts in respiratory care and provide a full suite of course management features for instructors.

Pre-loaded with interactive lectures, practice activities, quizzes and assignments based on **Respiratory Care: Principles and Practice, Second Edition**, by Dean Hess et al., this web-based program includes a full suite of course management features that make tracking and assessing student performance easier than ever. **Navigate Course Manager: Respiratory Care, Principles and Practice** is hosted and supported by Jones & Bartlett Learning, including customer training and technical support, and can be easily customized to meet your program's needs.

Navigate Course Manager: Respiratory Care, Principles and Practice is presented in 62 learning modules providing critical information in small digestible pieces for stronger comprehension. Each module contains an Interactive Lecture to review key content, with Knowledge Checks to test student comprehension of each key topic before moving on. Each module also includes Interactive Practice Activities, a Practice Quiz, and a Final Quiz and Discussion Forum for assessment. Additional resources include an Interactive Glossary, a Key
