Dear Ms. Howard:

We are in receipt of your request for our review and approval of the Professional Rescuer CPR Third Addition instructor manual, student manual and videos.

Our review finds this course does meet the requirements specified under the Automated External Defibrillator Act 9410 ILCS 4), the Automated External Defibrillator Code (77 Ill. Adm. Code, Part 525) and the Treatment of Choking Victims (77 Ill. Adm. Code, Part 520).

We do not have any areas of concern that we would like addressed. The program is accurate and comprehensive. We have also noted that your institute has the endorsement of the American Academy of Orthopedic Surgeons and the American College of Emergency Physicians.

At this time we are able to give approval for your program. If you have any questions or concerns, please feel free to contact Paula Atteberry, R.N., Special Programs Coordinator at 217/785-2080 or Paula.Atteberry@illinois.gov.
