Inspire Critical Thinking with the New Fourth Edition of this Best-Selling, Engaging Resource

Legal and Ethical Issues for Health Professionals

FOURTH EDITION

George D. Pozgar, MBA, CHE
 Available December 2014

Legal and Ethical Issues for Health Professionals, Fourth Edition provides the reader with a clear understanding of the law and ethics as they relate to health care dilemmas and the proper foundation to make good decisions in the delivery of patient care. The practical application of ethics in the health care setting is accomplished by interspersing the thoughts of great minds through *Quotes* and the real world of *News Clippings*, patient experiences through *Cases*, and provider and organizational experiences through *Reality Checks*. The text concludes with a *Summary Case* that ties together the information gathered throughout the text. Each chapter includes learning objectives, key terminology, a chapter summary, and review questions to assess comprehension.

NEW TO THE FOURTH EDITION

- Covers recent cases in the news impacting health care ethics
- Reviews the Affordable Care Act/Obamacare
- Includes an updated art program

INSTRUCTOR RESOURCES

- Lecture Outlines in PowerPoint format
- Instructor's Manual
