## Violent Offenders

*Theory, Research, Policy, and Practice*

THIRD EDITION

1. **Cutting-Edge** – Features six NEW chapters on current, highly-debated topics
2. **Current** – Up-to-date with the latest research across multiple related fields, including criminology, sociology, psychology, and public policy
3. **Trusted** – Features original scholarship from an impressive list of applied and academic criminologists who are international experts on violent offenders
4. **Relevant** – Updated case studies engage students in current content they encounter in news and media
5. **Comprehensive** – Covers all types of violent offenders, including gangs, serial killers, sex offenders, career criminals, and conventional street criminals
6. **Applied** – Hands-on research and practitioner expertise illustrate today's study of criminal predation
7. **Accessible** – Provides clear explanations of how criminological theory relates to the formation of a criminal offender to help students understand the reasons behind a person's violent actions
8. **Engaging** – Challenges students to think critically not only while inside the classroom, but also in their everyday lives as consumers of daily news
9. **Supportive** – Instructor resources include a comprehensive Test Bank and Lecture Slides in PowerPoint format
10. **Customizable** – Create your own unique text or eBook aligned with your syllabus and course objectives! Arrange chapters in any order with as much or as little as required to meet your course objectives. You can even pull chapters from across our content library and upload your own content.
