Paperback with Navigate 2 Essentials Access  
450 pages • © 2020

This transition guide serves to outline the updates and new content found in ***The Doctor of Nursing Practice Project: A Framework for Success, Third Edition***

## SUMMARY

***The Doctor of Nursing Practice Project: A Framework for Success, Third Edition*** provides the foundation for the scholarly process enabling DNP students to work through their project in a more effective, efficient manner. The Third Edition is intended for practical application and remains focused on the scholarly project. In addition, it specifically outlines how the project has been used to prepare clinical scholars for practice, a focus seen nationally.

## LIST OF OUTSTANDING FEATURES

- Formulates a process that enables DNP students to work through their project in an effective, efficient manner
- Example of a manuscript in the appendices
- An action plan and key messages at the end of each chapter
- A chapter that focuses on scholarly project tools
- Scholarly project exemplars found throughout the book that highlight the variety of work DNP nurses are engaging in

## BRIEF OVERVIEW OF CHAPTER UPDATES

- Update on the historical perspective
- More information on project variability and the need for rigor across programs
- Emphasis on the need to build in project sustainability and measures of impact
- A new chapter on Health Policy detailing how policy impacts practice, how the DNP nurse is the leader of the profession, the role and how it relates to advocacy, the connection of the DNP Project to health policy, and a call to action
- While still focusing on the project, the new edition will be more intentionally focused on how the project has been used to prepare clinical scholars in practice

## APPLICABLE COURSES

- DNP Programs

## INSTRUCTOR RESOURCES

- Instructor Manual
- Slides in PowerPoint Format
