Teaching Pharmacy Technician Education Has Never Been Easier

Simple to Use. Quality Content. Outstanding Customer Service.

Navigate Course Manager: The 21st Century Pharmacy Technician is an online learning platform that combines accessible textbook content with interactive practice assignments, and automatically graded assessments.

Navigate Course Manager: The 21st Century Pharmacy Technician breaks up complex information into short, digestible chunks to enhance student retention and comprehension. Succinct PowerPoint outlines keep students focused on learning objectives, and interactive flash cards help to reinforce key concepts. Students will have access to a wealth of interactive assignments to apply their knowledge, including "What Would You Do" scenario assignments, online quizzes, and dynamic matching and labeling exercises. As an instructor, you will save time with automated, real-time grading of chapter quizzes, and online tracking of student progress. To customize your course, Navigate Course Manager enables you to upload your own content, documents, and assignments.
