Teaching Public Health Has Never Been This Interactive

This comprehensive, 'off the shelf' course is highly customizable, giving you the flexibility you want to either plug and play, or make it your own.

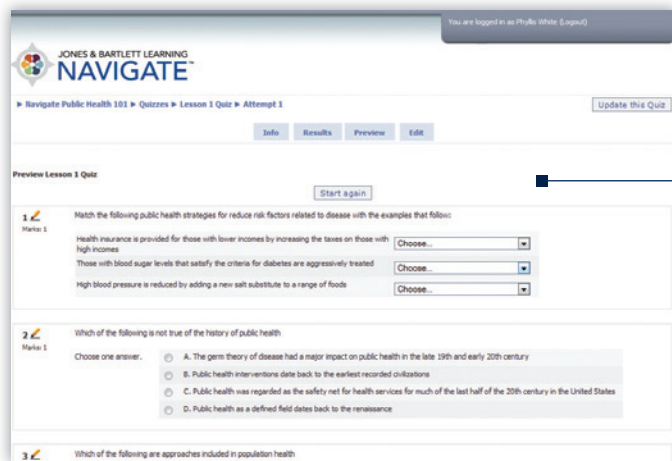

■ **Navigate Public Health 101** is pre-loaded with rich content from the bestselling text by Richard K. Riegelman

■ Professionally narrated, interactive lectures review critical topics within public health, in short digestible chunks of information.

■ "Knowledge Checks" are interactive exercises that keep the student engaged in the content.

■ Navigate is a robust online course platform that offers a chat feature, grade book, and other course management features, complete with hosting and support from Jones & Bartlett Learning.

■ Interactive Exercises including: quizzes, crossword puzzles, fill-in-the-blank, and other practice activities

■ **Navigate Public Health 101** is available for Blackboard.
