

INTRODUCING

NAVIGATE™

COURSE MANAGER *Anatomy and Physiology for Health Professionals*

The Easy, Efficient Way to Teach and Learn Anatomy and Physiology

Navigate Course Manager: Anatomy and Physiology for Health Professionals is pre-loaded with practice activities, quizzes, assignments, and more. This web-based program includes a full suite of course management tools that make tracking and assessing student performance easier than ever. The online modules are based on chapters of the text, *Anatomy and Physiology for Health Professionals* and provide an excellent resource to aid student comprehension and retention. This instrumental program may be used in any anatomy and physiology course, with any textbook. Instructors can also upload additional content to customize the course. **Navigate Course Manager: Anatomy & Physiology for Health Professionals** is hosted and supported by Jones & Bartlett Learning, including complimentary customer training and technical support.
