

ONLINE NURSING COURSE OFFERINGS

Preparing Nursing Students for the 21st Century Healthcare System

In response to the demand for a highly educated nursing workforce, Jones & Bartlett Learning has developed a unique online set of online courses formulated on the *American Association of Colleges of Nursing, the Essentials of Baccalaureate Education for Professional Nursing Practice*. We have created 12 distinct, instructionally designed courses in concert with experts from leading RNtoBSN programs. Each course aligns to a premier Jones & Bartlett Learning text and can either be used standalone for individual courses or as part of a traditional RNtoBSN curriculum. Each online course combines cutting-edge courseware, course management tools, and authoritative content to help meet evolving student needs. These courses can accommodate a variety of learning styles as well as teaching methods.

Key Course Features Include:

- Interactive Lectures
- Supplemental Content from Journals, Articles and More
- Interactive Activities
- Discussion Forum
- Instructor Resource Guide
- End of Lessons Assessment
- Practice Activities for Students in a Safe-to-Fail Environment
