

INTRODUCING

# NAVIGATE™ COURSE MANAGER *Essential Medical Terminology*

■ *Comprehensive Online Companion*

■ *Interactive Glossary With Audio  
Pronunciation*

■ *Engaging Interactive Activities*

## *The Easy, Efficient Way to Teach and Learn Medical Terminology*

Simple to Use. Quality Content. Outstanding Customer Service.

**Navigate Course Manager: Essential Medical Terminology** is pre-loaded with content review, practice activities, and quizzes. This web-based program includes a full suite of course management features that make tracking and assessing student performance easier than ever. The modules are based on chapters of the text, **Essential Medical Terminology, Third Edition**, and provide an excellent resource to aid student comprehension and retention. This easy-to-use program is an ideal companion to existing courses that cover Medical Terminology, for self-paced or instructor-monitored study, or for pre-requisite requirements across the program.

**Navigate Course Manager: Essential Medical Terminology** is hosted and supported by Jones & Bartlett Learning, including customer training and technical support, and can be easily customized to meet your program's needs.
