What's included with Navigate eFolio: Evidence-Based Practice for Nurses?

Navigate eFolio: Evidence-Based Practice for Nurses

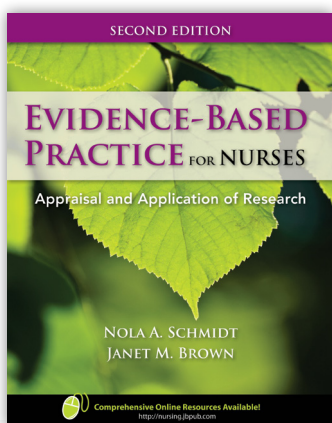

Based on best-selling and award-winning *Evidence-Based Practice for Nurses: Appraisal and Application of Research, Second Edition*, Navigate eFolio: Evidence-Based Practice for Nurses is an easy-to-use interactive eBook and eWorkbook that combines authoritative content with interactive learning activities and reporting tools that enable instructors to track real-time student progress. Navigate eFolio: Evidence-Based Practice for Nurses can be used in an on-ground, online or hybrid course. Faculty and students simply create an account on JBLearning.com by redeeming an Access Code, and connect to the platform via a CourseID.

The Navigate platform, fully hosted and technically supported by Jones & Bartlett Learning, enables instructors to manage assignments that correspond to eBook content.

- User-friendly control panel lets instructors easily deploy & track learning objectives.
- Robust grade book functionality enables detailed reporting on students' progress and overall class statistics.
- Management tools include calendar, announcements, and scheduling functions.

Evidence-Based Practice for Nurses: Appraisal and Application of Research, Second Edition

The *Second Edition* of *Evidence-Based Practice for Nurses: Appraisal and Application of Research* continues to serve as the definitive reference for transitioning research into nursing practice. Based on the innovation-decision process (IDP), each unit is shaped according to the five steps of the IDP: knowledge, persuasion, decision, implementation, and confirmation. This unique organizational approach combined with updated case studies and ethical principles allows the research process to be tangible and linked with strategies that promote advancement.

Simple to Use. Easy to Adopt. Ensures Student Engagement.
